

## Chemistry Department Graduate Student Activities Report (SAR)

Student Name: \_\_\_\_\_

Date of Evaluation: \_\_\_\_\_

List up to four key accomplishments such as papers, external presentations, travel grants, extra-departmental awards, or other forms of recognition. Items listed here must be externally visible; do not list achievements that are known only to your Research Director, to your research group, or to the Chemistry Department.

- 1.
- 2.
- 3.
- 4.

List all courses you have completed since your previous evaluation and the grades you obtained.

Course Number	Course Title	Term	Grade

List all completed courses for which you served as a GTA since your previous evaluation.

Course Number	Course Title	Term	Instructor of Record

Briefly describe any teaching contributions “above and beyond” your regular GTA assignment.

Briefly describe “professional activities and interactions” (see instructions) since your most recent evaluation:

Attach a **one-page Research Update** (11-point Arial font, one-inch margins). Do *not* exceed one page. Make sure your **name** is on it. Emphasize progress that you have made since your most recent evaluation.
