

Chemistry Department Original Research Proposal Oral Examination Result Form

Student's Name:	Date of Exam:
Research Proposal Title:	

Detailed comments are *required* so that the student will have feedback for improvement. Please be specific. Add pages as needed. If using MS Word (recommended), feel free to expand this form onto additional pages.

Comments on the ORP portion of the Oral Exam:

Comments on the Research Progress portion of the Oral Exam:

Redirect to MS. If the final grade in CHEM 6914 is an **F** and the student wishes to continue in the MS program, does the committee agree (i.e., at least four "yes" votes) that continuation is warranted? **Yes** **No**

Faculty Signatures. Please mark committee chair(s) with an asterisk (*) and indicate your grade for the *original research proposal portion* of this oral exam, out of a total possible of 30 points. The average will be used to calculate the student's overall grade in CHEM 6914. The oral exam represents 30% of that grade.

Printed Name	Grade (30)	Signature
